

“My greatest wish is that my children will always know just how much I love them and for the rest of their lives will know that no matter what, I will always be there for them, any way I can.

My children are a gift, and I will treasure mine forever.”

THROUGH A FATHER'S EYES

This publication is supported by the Genesee County Health Department through the Healthy Start project, Grant Number H49MC00148, from the Department of Health and Human Services Health Resources and Services Administration (HRSA). The Engaged Father program also receives funding from the Michigan Health Endowment Fund, and the Michigan Department of Health and Human Services.

The fatherhood program is an extension of the Healthy Start program.

We aim to strengthen families by providing fathers and partners with support and encouragement.

WHO WE ARE:

The fatherhood program is an extension of the Genesee Healthy Start program. We strengthen families by providing resources and support to fathers whose partners are in Healthy Start.

WHO CAN PARTICIPATE:

Fathers of young children living in Genesee County.

HOW CAN WE HELP?

- Fatherhood Resource Packet
- Health Screening and Referral
- Man-to-Man Fatherhood Group
- Community Resources
- Father-friendly Activities

Did you know that positive father involvement contributes to child health and wellbeing? Children with involved fathers have greater success in school, fewer behavioral problems, and more self-confidence.
