## **ADMINISTRATIVE LEADERSHIP ROLES**

---

### **2024 – present Associate Dean for Faculty Affairs (ADFA), UM-SSW**

Senior academic administrator responsible for faculty affairs, governance, and workload policy, supporting approximately 62 full-time tenure-track, clinical, and research faculty across ranks and appointment types. Provide strategic leadership across promotion and tenure, faculty recruitment and retention, annual merit review, and workload equity.

- Lead and oversee promotion and tenure processes across faculty tracks, ensuring fairness, transparency, and alignment with University policy.
- Provide strategic leadership for faculty recruitment and search processes, including senior-level hires, with attention to University policies and processes.
- Designed and led a clinical faculty workload initiative, resulting in improved transparency.

- Oversee implementation of conflict of interest policies, faculty development and mentorship, faculty committee assignments, and annual merit review, balancing accountability with faculty development goals.
- Serve as the School's primary liaison to University Faculty Affairs, translating campus-wide policies into School-level procedures and advising the Dean on governance and compliance matters.
- Provide ongoing counsel to the Dean and Executive Committee on faculty affairs in a complex and evolving higher education environment.

**2018 – present                    Inaugural Director (2018-2023) & Lead Evaluator (2023-present), Michigan Title IVE**

Founded and led a new, statewide, federally funded workforce development consortium supporting BSW and MSW education in child welfare, in partnership with the Michigan Department of Health and Human Services and multiple public universities. Secured and managed (as PI and co-PI) approximately \$9m in direct and indirect funding to participating schools of social work, including \$1.35m in fellowships to BSW and MSW students since 2023.

- Conceived, launched, and scaled a multi-institution Title IV-E consortium, expanding access to social work education and workforce pipelines across urban, rural, and underserved regions of Michigan.
- Negotiated and implemented complex federal and state contracting mechanisms to draw down Title IV-E funds, working closely with state partners over multiple years.
- Built durable cross-university governance structures to coordinate curriculum, funding, compliance, and evaluation reporting across institutions with differing missions and capacities.
- Strengthened state–university partnerships to support workforce stability and educational access in public child welfare systems.

**2019 – present                    Director, Program Evaluation Group (PEG)**

Provide strategic and academic leadership for a mission-driven evaluation unit conducting community-engaged evaluation and institutional assessment for university and external partners. Lead PEG's evaluation portfolio, securing and overseeing approximately \$4.4m in grants and contracts supporting community-based programs, DEI initiatives, and social work academic accreditation processes. <https://ssw.umich.edu/offices/program-evaluation>

- Supervise multidisciplinary evaluation teams conducting evaluations for public agencies, nonprofit organizations, and university units.
- Expanded PEG's scope to include institutional learning and accreditation-related evaluation, strengthening the School's internal capacity for data-informed decision-making.
- Foster collaborative relationships with faculty, staff, and community partners to ensure evaluations are methodologically rigorous, culturally responsive, and actionable.

**2017 – 2018                    Interim Director, Community Action and Social Change (CASC) Undergraduate Minor**

Provided interim leadership for an interdisciplinary undergraduate minor focused on social change, civic engagement, and community-based learning.

- Oversaw program administration, including supervision of the program manager and student advising functions.
- Coordinated curricular programming and student engagement activities, supporting student retention and completion.
- Represented the minor in School and campus-level discussions and led successful program operations during a transition period.
